

Annual Security Report

King University's annual security report is available on the internet and by request. This report is required by federal law and contains policy statements and crime statistics and the campus fire safety report for the school. The policy statements address the school's policies, procedures and programs concerning safety and security, for example, policies for responding to emergency situations and sexual offenses. Three years' worth of statistics are included for certain types of crimes that were reported to have occurred on campus, in or on off-campus buildings or property owned or controlled by the school and on public property within or immediately adjacent to the campus. This report is available online at <http://security.king.edu/right-to-know/annual-security-report>. You may also request a paper copy from the King University Security Department.
