

The commencement exercises of the institution are held twice annually in May and December, although degrees are also conferred in August. Undergraduate students needing 12 s.h. or fewer can petition to march if they are registered for the deficiencies in the subsequent semester. The petition process is an email explaining the situation and requesting to march to AcademicDean@king.edu.

Any student who graduates in August will normally participate in December commencement exercises. Any student who chooses not to participate in commencement exercises must notify the Office of Registration & Records at King by Week #10 of the semester.
