

Students repeat courses for several reasons:

- Because they failed a course and want to remove the F from their records
- Because the grade earned in a major, minor, or concentration course is below the level required by that program
- For the purpose of increasing proficiency in a course when such is necessary for successful performance in a subsequent course
- For the purpose of increasing the grade point average.

A student may repeat a course, provided that the grade earned is below a C (*C- or below*) in the course to be repeated. Students are permitted to repeat a course twice (for a total of three attempts). The grade in the final attempt will be used to calculate the student's cumulative GPA. No more than 32 semester hours can be repeated.

Specific program requirements regarding course repeats and grades for a course will take precedence over the policy above (e.g. Nursing courses may be repeated only once and on a space-available basis).

A student may repeat a course during the same semester if the course is offered in a separate module and the course has no prerequisites. To repeat a course within the same semester the student will need to contact the Registrar.

NOTE: Financial Aid/Veterans Benefits

Students who choose to repeat any course in which they have earned a passing grade (C- or better) may not receive financial aid or veterans benefits for those hours. Students will need to contact the Financial Aid office or refer to their VA Benefits for clarification.
